Professional Profile

Accomplished Data Scientist with a Bachelor ' s degree and international experience, specializing in AI/ML, cloud computing, data analysis, DevOps, database management, and data pipeline optimization. Driving impactful results with real-time insights and predictive analytics.

Primary stack: Python, Power BI, Tableau, MS Excel, SPSS, R, NLP, AWS TensorFlow, Docker, SQL, Git

Work History

03/2024 – Present

ML Engineer/ Data Analyst Self Employed

- Developed and deployed machine learning models to solve real-world problems, improving predictive accuracy.
- Performed data cleaning, analysis, and visualization to extract actionable insights.
- Built predictive models using algorithms like Random Forest, XGBoost, and Neural Networks.
- Leveraged data analytics techniques to extract insights, identify trends, and support data-driven decision-making.

09/2024 – 05/2025

Junior Data Analyst Duseca Software | Islamabad

- Assisted senior data scientists in cleaning and preparing datasets.
- Supported dashboard creation and data visualization for monitoring development indicators.
- Contributed to exploratory data analysis and performance reporting under team guidance.
- Helped document workflows and ensure data consistency.

07/2023 – 02/2024

Research Assistant

COMSATS University Islamabad | Attock campus

- Conducted literature reviews and research on machine learning algorithms to support ongoing projects.
- Performed data collection, preprocessing, and analysis for ML experiments, generating actionable insights.
- Assisted in drafting technical papers and reports on ML models, enhancing analytical and academic writing skills.

09/2022 – 07/2023

HR Manager

AR Software Agency

- Managed recruitment, onboarding, and employee lifecycle processes.
- Implemented HR policies and performance tracking systems to improve staff productivity.
- Conducted training programs and resolved employee relations issues.
- Collaborated with management to align HR strategies with company goals.

Education

09/2024 – Present

Master of Science in Computer Science

COMSATS University Islamabad

02/2020 – 02/2024

Bachelor of Science in Computer Science

COMSATS University Islamabad

09/2017 – 09/2019

Intermediate in Computer Science

Govt. Degree College, Attock

08/2015 – 07/2017

Matric in Science

Govt. Girls Higher Secondary School Attock
